

Seasonal Made Simple: Califia Farms Introduces New Organic Creamers and Horchata to Celebrate the Holidays

From its first-ever Organic Seasonal Creamers, to returning favorites, Califia upgrades its Festive Lineup

LOS ANGELES, Aug. 5, 2025 – Seasonal Creamers are going simple thanks to Califia Farms® all-new Simple & Organic holiday almond creamers. Available in Organic Pumpkin Spice, Organic Maple, and Organic Holiday Spice, each creamer makes festive flavors both simple and delectable. Made with no gums or oils, these creamers are Fall fridge essentials.

“From the cozy richness of pumpkin spice to the delightful flavors of maple and holiday spice, we can’t wait to share these organic seasonal creamer options with our fans for the first time,” said Suzanne Ginestro, Chief Marketing Officer at Califia Farms. “The love for our Simple & Organic line keeps growing and the passion for products made with the irresistible goodness of plants is here to stay.”

Califia Farms, a leading premium plant-based beverage brand, uses pantry-friendly ingredients as a driving force behind its innovation. Following the success of its first Organic Plant Milks and Creamers, the brand has steadily expanded its Simple & Organic offerings to meet consumer demand, as nearly 3 in 4 consumers consider purchases based on ingredient lists.¹ The Simple & Organic seasonal creamers deliver nostalgic flavors without anything extra.

Also making its debut is Califia’s delicious and creamy Horchata, a blend of rice and almond milk with real cinnamon for a sweet, subtly spiced delight. Horchata, which recently ranked among the top 25 flavor trends², is a beloved, heritage classic across the globe. Available in a 48-oz multi-serve bottle, it’s easier than ever for all to enjoy it over ice or in family recipes!

2025’s seasonal line-up marks a key moment for the brand, reflecting Califia’s ongoing commitment to simple, great-tasting, and plant-based goodness that meet people where they are – with craveable choices that feel both festive and intentional.

New for 2025:

About Califia Farms (pronounced "Cal-uh-FEE-ahh" like California)

Califia Farms is on a mission to create a future where plants replace dairy, without compromise. Headquartered in Los Angeles, Califia produces innovative, healthy and great-tasting plant-based options. The brand's wide range of plant milks, creamers, barista products, brewed-to-blend coffees, teas, and juices and are made using the highest-quality ingredients from whole food plant sources. Driven by shifting consumer demands for clean and sustainable products, Califia introduced hugely successful organic options with simple ingredients in 2023. The company continues to reduce its footprint, contributes to resilient agriculture and accelerates the circular economy, through actions like converting to 100% recycled plastic in all its bottles and working with almond growers to plant organic crops. Founded in 2010, today Califia is one of the leading plant-based beverage brands in the U.S. and has on-the-ground operations in the U.K. with a brand presence in several other countries.
